

Facilities Specialist

State Program Administrator Intermediate

Salary Range \$52, 805 - \$76,650

The DNR is looking to fill two (2) Facilities Specialists positions. The selected candidates will have the option to report to the following locations: Grand Rapids or Two Harbors.

The Facilities Specialist is responsible for conducting facility and site condition assessments, preparing building project specifications, and providing oversight for maintenance, renovation, as well as construction and demolition projects for DNR owned buildings. Two-years of experience in facilities or construction trades including experience managing building construction or repair projects is required.
