

Horizon Public Health is an accredited local public health department serving Douglas, Grant, Pope, Stevens and Traverse Counties.

We are currently recruiting for the following position to join our team:

Health Educator

This position will be housed at Alexandria Area High School supporting both AAHS along with Discovery Middle School (DMS). The primary focus for this role is on reducing substance use among youth including alcohol and tobacco.

Starting salary range is \$32.91-\$34.93/hour with earning potential up to \$42.96/hour. Benefits include employer sponsored health and life Insurance, HSA/VEBA contribution, PTO, and PERA retirement as well as several employee voluntary benefits to include: 457 b retirement plans, long- and short-term disability, vision insurance, dental, supplemental life insurance, critical illness, hospital care and accident plan.

If you are self-motivated, confident and an effective communicator who would enjoy working with adults and youth we encourage you to visit our website at: <https://horizonphmn.gov/employment> for job requirements, a complete job description and how to submit an application.

**Closing date is Wednesday October 1st
at 4:30 p.m.**
