Loan Portfolio Specialist

Southwest Initiative Foundation is seeking a Loan Portfolio Specialist to support the servicing, documentation, and management of business loan programs that strengthen entrepreneurs and communities across southwest Minnesota.

This role focuses on loan portfolio management, database administration, due diligence, and compliance across multiple state and federal financing programs, including SBA Microloan, USDA Rural Microentrepreneur Assistance Program, and others. The Loan Portfolio Specialist ensures data accuracy, supports loan servicing and reporting, and balances strong customer service with a compliance-focused mindset.

If you're ready to bring your skills to a role that supports entrepreneurs and strengthens communities, we encourage you to apply at <https://swifoundation.org/whats-new/careers/>
